## TECHNICAL SKILLS

HTML	React		
CSS	Mongo Database		
Javascript			

## PROJECT WORK

**Helio Training Collaborative Projects**  
**2019**

**March-April**

**Larry H Miller Sports Entertainment Group**  
*Web Development Intern*

- **1280 The Zone**
  - Our task was to optimize the flyout menu of the Webpage of 1280 the Zone
  - The team reviewed the current work done on the CSS and HTML files and added appropriate adjustments to change the responsiveness of the menu.
  - My role was mostly to research options to make the responsiveness on the mobile as good as on the desktop application.
- **SLC Stars**
  - Our task was to make modifications to the player roster so that they would sort by jersey number etc.
  - The team was also tasked with doing research on accessing the NBA G League database to find the college that each player previously attended.
